L2	0	"variable geometry" and (boost near3 (sensor or sense or sensing or sensed or detect or detector or detected or detecting)) and ((calculate or calculated or calculation or calculating) near5 feedforward)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 14:51
L3	28	"variable geometry" and (boost near3 (sensor or sense or sensing or sensed or detect or detector or detected or detecting)) and (calculate or calculated or calculation or calculating)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 14:51
L4	4	"variable geometry" and (boost near3 (sensor or sense or sensing or sensed or detect or detector or detected or detecting)) and (calculate or calculated or calculation or calculating) and feedforward	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 14:53
L5	9	"variable geometry" and (boost and (sensor or sense or sensing or sensed or detect or detector or detected or detecting)) and (calculate or calculated or calculation or calculating) and feedforward	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 14:54
L6	1	"variable geometry" and (boost and (sensor or sense or sensing or sensed or detect or detector or detected or detecting)) and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) same feedforward)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 14:56
L7	9	"variable geometry" and (boost and (sensor or sense or sensing or sensed or detect or detector or detected or detecting)) and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and feedforward)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:00
L8	14	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and feedforward)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:00

L9	14	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and feedforward) and (boost or boosting or "boost pressure" or pressure)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:02
L10	14	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and feedforward) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:09
L11	327	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and (senses or detect or detecting or detected or detector)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:08
L12	422	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:09
L13	359	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and speed	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:10

L14	27	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbo charger or turbo-supercharger or "turbo compnpressor" or tubine))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:10
L15	76	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo compnpressor" or tubine))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:12
L16	108	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation or determine or determined ot determination or determining) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo compnpressor" or tubine))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:14
L17	116	"variable geometry" and (calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation or determine or determined ot determination or determining or measure or measuring or measured or measures) and (boost or boosting or "boost pressure" or pressure) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo compnpressor" or tubine))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:15

L18	106	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation or determine or determined ot determination or determining or measure or measuring or measured or measures) same (boost or boosting or "boost pressure" or pressure)) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo comnpessor" or turbine))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:28
L19	18	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation or determine or determined ot determination or determining or measure or measuring or measured or measures) same (boost or boosting or "boost pressure" or pressure)) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo comnpessor" or turbine)) and (fail or fails or failed or failing)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:29
L20	106	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation or determine or determined ot determination or determining or measure or measuring or measured or measures) same (boost or boosting or "boost pressure" or pressure)) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo comnpessor" or turbine)) and (speed naer 10 (fail or fails or failed or failing))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:29

L21	9	"variable geometry" and ((calculate or calculated or calculation or calculating or estimate or estimated or estimating or evaluate or evaluating or evaluated or evaluation or estimation or determine or determined ot determination or determining or measure or measuring or measured or measures) same (boost or boosting or "boost pressure" or pressure)) and (sensor or sense or sensing or senses or detect or detecting or detected or detector) and (speed near3 (turbo or turbocharger or turbo-supercharger or "turbo comnpressor" or tubine)) and (speed near10 (fail or fails or failed or failing))	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2004/12/29 15:29
